Re: United States v. Steven William Sutcliffe
Cr. No. 02-350-AHM

Dear Mr Harris:

Attached please find a copy of the FD-597 you and I signed documenting the return of various original electronic evidence to you. As we discussed last week, I will provide you with proposed draft stipulations and file pretrial motions including a 404(b) motion to admit evidence of the killercop website in the government's case in chief as soon as I am able to do so. Right now I am working on three (!) separate appeal briefs, so I may have to wait until those are filed to do additional work on the Sutcliffe matter. As I understand from you that you are still in the process of reviewing the discovery already provided and related correspondence, I assume that this schedule will be satisfactory. Please feel free to contact me in the interim if I have misunderstood, or if you have any questions or concerns involving any aspect of the case. Thank you.

Very truly yours,

DEBRA W. YANG
